SUBJECT: Recommendation for Promotion

TO : The COMMANDING GENERAL,
USAF, GBI (Thru Channels)

1. Hereby, as a matter of record, a personal recommendation for Captain James A. V. Girsham, Northern Kachin Levies, who was previously mentioned by me during one of your visits to the American Forces command post with the possibility in mind of recommending his promotion to the rank of Major in the Northern Kachin Levies.

2. During his tour of duty as a member of my staff, Capt Girsham has been invaluable both in advisory and combat capabilities, and in my opinion, is highly deserving of any effort on your part to secure this promotion for him.
