ON THEIR WAY -- Quartet of pioneer Arctic explorers join Lowell Thomas on photography expedition to the North Pole for scenes in the second episode of the popular TV series, "High Adventure with Lowell Thomas," which will be colorcast over the CBS network on Monday, December 23rd, 10:00-11:00 p.m., EST. (Left to right): Adm. Donald B. MacMillan; Sir Hubert Wilkins; the late Peter Freuchen; Lowell Thomas; and Col. Bernt Balchen. Freuchen died with the arrival of the group in Alaska, jumping off point for their Arctic adventures. Film is dedicated to him. Odd shoes worn by Wilkins were designed by him for use by our armed forces in the Arctic and Antarctic. They keep feet warm and dry even in temperatures as low as 60 degrees below freezing. The United Motors System and Delco-Remy division of General Motors are the sponsors of the "High Adventure with Lowell Thomas" series.
