LOWELL THOMAS IN EAST AFRICA

The trail of "High Adventure with Lowell Thomas" (CBS Television, 8:00-9:00 PM, EST) Wednesday, January 22 will lead the world explorer to Africa, where he is shown, above, with the remains of a rhinoceros which didn't "get away" at Nairobi, Kenya.

In addition to exploring the "big game country" of British East Africa, Thomas and his television adventurers will trek to remote Timbuktu, on the western edge of the Sahara, and will visit Madagascar where they filmed ancient voodoo rituals.
